

Bible 2: Truths for Life

COMPARISON CHART

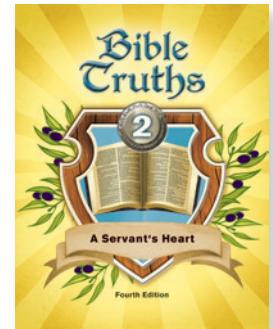

NEW

Updates

This edition is a continuation of the new BJU Press Bible line using new teaching strategies in both the student and teacher editions for Grade 2. A new scope and sequence has been implemented as well. The student edition page count has increased from 292 to 400. Components of this new edition will not be compatible with Bible Truths 2 (4th edition).

1st Edition

4th Edition

Scope & Sequence

- 7 units present 94 Bible truths.
 - Unit 1: Attributes of God
 - Unit 2: God's Works
 - Unit 3: The Fall
 - Unit 4: Jesus Christ and His Covenants
 - Unit 5: Salvation
 - Unit 6: Christian Living
 - Unit 7: The End Times

Core Objectives

- Analyze the Bible Truths and biblical narratives using literary skills.
- Explain the main ideas of the Bible Truths.
- Defend the Bible Truths using biblical texts.
- Formulate a biblical worldview based on the Bible Truths.
- Apply the Bible Truths to life.
- Recite the Bible Truths.

Special Features

- The course features an integrated teaching cycle: engage, instruct, apply, and assess.
- Special sections highlight each Bible Truth's connection to a biblical worldview.
- Additional sections guide applications of Bible Truths to everyday life.
- Numerous review activities include object lessons, writing assignments, and Bible Truth songs.
