- Formulate a biblical view of geography, citizenship, government, and economics.
- Apply reading and social studies skills.

Pedagogical Techniques

- Activates prior knowledge.
- Encourages active and collaborative learning.
- Develops literacy and visual analysis.
- Introduces students to source materials.
- Examines differing cultural viewpoints.
- Offers opportunities for incorporating technology.

Textbook Snapshot

Who are my family members? **Activity**

Create a Family Tree

A family tree is a diagram of a family. It shows how each family member is related to one another.

In this activity you will make a family tree.
