

Simply Charlotte Mason presents

Individual Studies

A Year of Language Arts, Math, Science

Lesson Plans for Grade 6

by Sonya Shafer

*An entire year of step-by-step lesson plans
for language arts, science, and math!*

The convenient tips, reminders, and pre-planned lessons in this book make it simple to guide your student using Charlotte Mason's effective methods.

These Individual Studies will

- Keep lessons varied, focused, and of appropriate length.
- Emphasize the cultivation of good habits in school work.
- Encourage growth in language arts through living books and literature.
- Guide you in science through nature study, living books, and other resources.
- Allow you to use the math curriculum of your choice.
- Provide a thorough education at an enjoyable pace.

Combine these Individual Studies with our family-combined History Studies and Enrichment Studies for a complete Charlotte Mason curriculum!

Keep It
Simple

One lesson per book per day!

1.  History, Geography, & Bible
Creation to Current
2.  Enrichment Studies
Art, Music, Literature, & More

How to Use

Most school subjects can be taught to your whole family together, but some subjects are best taught individually so you can progress at the student's pace. This book of lesson plans contains suggestions and assignments for individual work for students in grade 6. Complete one lesson plan per day to finish these studies in a school year.

The lesson plans in this book cover language arts, science, and math.

Language Arts

Students will continue a study of the parts of speech and progress in spelling, capitalization, punctuation, and English usage guidelines using the literary passages presented in *Spelling Wisdom, Book 2*, and the guided discovery lessons in *Using Language Well, Book 2*. The first half of these books was completed in grade 5; the rest will be covered this year.

Written narration will be assigned to encourage your student to continue to progress in capturing his thoughts on paper and applying guidelines he has learned about English grammar, usage, and mechanics. Rubrics and further instructions are provided in the *Using Language Well, Book 2, Teacher Guide and Answer Key*.

Science

Science can be done individually, or if you have more than one student in grades 1–6, they may all do one science course together. Simply Charlotte Mason has several to choose from.

Nature Study is an important part of science studies; be sure to include it. Follow the Nature Study suggestions in your selected science course or use the nature notebook, *Journaling a Year in Nature*, to guide your weekly study. Nature Study can be done all together as a family, but we have included reminders in these individual plans too.

Math

Use the math curriculum of your choice. These lesson plans will include reminders to work on it. As with other individual work, be sure to go at your student's pace.

Complete Year's Resources List

- *Spelling Wisdom, Book 2*
Students will complete the last half of this book this year; the first half was covered in grade 5.
- *Using Language Well, Book 2, Student Book*
Students will complete the last half of this book this year; the first half was covered in grade 5.
- *Using Language Well, Book 2, Teacher Guide and Answer Key*
- (optional) *Analytical Grammar, Student Book and Teacher Book*
- Simply Charlotte Mason (SCM) science course of choice
- *Journaling a Year in Nature* notebooks, one per person (optional)
- Math course of choice
- Typing course of choice

Note: All resources except math, typing, and Analytical Grammar are available from Simply Charlotte Mason. Analytical Grammar can be found at <http://analyticalgrammar.com>.

Term 1

(12 weeks; 5 lessons/week)

Term 1 Resources List

- *Spelling Wisdom, Book 2*
- *Using Language Well, Book 2, Student Book*
- *Using Language Well, Book 2, Teacher Guide and Answer Key*
- Simply Charlotte Mason (SCM) science course of choice
- *Journaling a Year in Nature* notebooks (optional)
- Typing course of choice
- Math course of choice

Weekly Schedule

Day One	Day Two	Day Three	Day Four	Day Five
Math (20–30 min.)	Math (20–30 min.)	Math (20–30 min.)	Math (20–30 min.)	Math (20–30 min.)
	Science (20–30 min.)		Science (20–30 min.)	(Nature Study)
Spelling Wisdom & Using Language Well (20–30 min.)		Typing (15–20 min.)	Spelling Wisdom & Using Language Well (20–30 min.)	

Lesson 1

Materials Needed

- Math course of choice
- *Spelling Wisdom, Book 2*
- *Using Language Well, Book 2, Student Book*
- *Using Language Well, Book 2, Teacher Guide and Answer Key*

Math: Work on your selected math curriculum for about 30 minutes.

Spelling and Grammar: Complete *Using Language Well, Book 2*, lesson 71.

Tip: The lessons assigned in Using Language Well, Book 2, are designed to be completed independently. Check your student's work and oversee the dictation portion when he is ready. See the Using Language Well, Book 2, Teacher Guide and Answer Key for details.

Lesson 2

Materials Needed

- SCM science course of choice
- Math course of choice

Science: In your SCM science course, complete the first assignment for Week 1.

Math: Work on your selected math curriculum for about 30 minutes.

Lesson 3

Materials Needed

- Math course of choice
- Typing course of choice

Math: Work on your selected math curriculum for about 30 minutes.

Typing: Work on your selected typing course for about 20 minutes.

Lesson 4

Materials Needed

- *Spelling Wisdom, Book 2*
- *Using Language Well, Book 2, Student Book*
- *Using Language Well, Book 2, Teacher Guide and Answer Key*
- SCM science course of choice
- Math course of choice

Spelling and Grammar: Complete *Using Language Well, Book 2*, lesson 72.

Science: In your SCM science course, complete the second assignment for Week 1.

Math: Work on your selected math curriculum for about 30 minutes.

Lesson 5

Materials Needed

- Math course of choice
- *Journaling a Year in Nature* notebooks (optional)

Math: Work on your selected math curriculum for about 30 minutes.

Nature Study: Take the whole family outside for nature study.

*Tip: Follow the Nature Study suggestions in your SCM science course or use the nature notebook, *Journaling a Year in Nature*, to guide your weekly study.*

Lesson 6

Materials Needed

- Math course of choice
- *Spelling Wisdom, Book 2*
- *Using Language Well, Book 2, Student Book*
- *Using Language Well, Book 2, Teacher Guide and Answer Key*

Math: Work on your selected math curriculum for about 30 minutes.

Spelling and Grammar: Complete *Using Language Well, Book 2*, lesson 73.

*Reminder: Assign your student to write one narration from his history, geography, Bible, or science readings this week. Use Rubric 2.3 from *Using Language Well, Book 2, Teacher Guide and Answer Key* to help you evaluate his writing. Continue oral narrations daily.*

Lesson 7

Materials Needed

- SCM science course of choice
- Math course of choice

Science: In your SCM science course, complete the first assignment for Week 2.

Math: Work on your selected math curriculum for about 30 minutes.

Lesson 8

Materials Needed

- Math course of choice
- Typing course of choice

Math: Work on your selected math curriculum for about 30 minutes.

Typing: Work on your selected typing course for about 20 minutes.

Lesson 9

Materials Needed

- *Spelling Wisdom, Book 2*
- *Using Language Well, Book 2, Student Book*
- *Using Language Well, Book 2, Teacher Guide and Answer Key*
- SCM science course of choice
- Math course of choice

Spelling and Grammar: Complete *Using Language Well, Book 2*, lesson 74.

Science: In your SCM science course, complete the second assignment for Week 2.

Math: Work on your selected math curriculum for about 30 minutes.

Lesson 10

Materials Needed

- Math course of choice
- *Journaling a Year in Nature* notebooks (optional)

Math: Work on your selected math curriculum for about 30 minutes.

Nature Study: Take the whole family outside for nature study.

*Tip: Follow the Nature Study suggestions in your SCM science course or use the nature notebook, *Journaling a Year in Nature*, to guide your weekly study.*
