# Sequencing

Monday Tuesday Wednesday Thursday Friday Saturday Sunday

It was sunny Monday. The next day it rained. It started to get cold on Wednesday. The next day it snowed. School was canceled that day and the rest of the week.

Read the story, then answer each question with a day of the week.

1. What day did it rain?

---

2. What day did it snow?

---

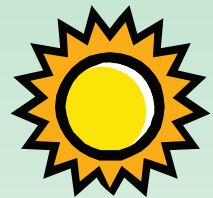

3. Was it warmer on Tuesday or Thursday?

---

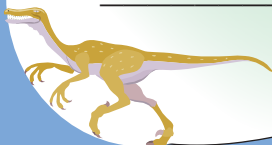

4. What days were school canceled?

---

5. Number the pictures 1, 2, 3 in the order they happened in the story.

---

# Deductive Reasoning

The story below has 6 parts, but the parts are not in the correct order. Examine each of the parts, then number the boxes **1-6** in the order they take place in the story.

The second animal we saw was a hippo.
