Advanced Functions 12

	Page		Page
Chapter 1 – Transformations		Chapter 5 – Trigonometric Angles and Graphs	
1.1 Relations and Functions (Review)	2	5.1 Angle and Degree Measure	169
1.2 Even and Odd Functions	10	5.2 Angles in Standard Position	173
1.3 Vertical and Horizontal Transformations	14	5.3 Special Angles	184
1.4 Vertical and Horizontal Compressions and Expansions	18	5.4 Graphs of Trigonometric Functions	190
1.5 Reflections	26	5.5 Transformations of Trigonometric Functions	196
Chapter 2 – Polynomial Functions and Equations		Chapter 6 – Trig. Equations and Identities	
2.1 Division of Polynomials	40	6.1 Basic Trigonometric Identities	213
2.2 Remainder Theorem	46	6.2 Sum and Difference Identities	219
2.3 Zero-Product Property	55	6.3 Double Angle Identities	222
2.4 Factor Theorem	60	6.4 Basic Trigonometric Equations	225
2.5 Rational and Number of Roots Theorems	64	6.5 Applications of Trigonometric Equations	231
2.6 Function Model	67		
2.7 Polynomial Functions	70	Chapter 7 – Operations with Rational and Radical Functions	
2.8 Solving Polynomial Inequalities	78	7.1 Addition and Subtraction of Functions	239
2.9 Using a Graphing Calculator	82	7.2 Multiplication and Division of Functions	243
Chapter 3 – Rational and Radical Functions		7.3 Composite Functions	247
3.1 Radical Functions	93	7.4 Using a Graphing Calculator to Graph Operations with Functions	250
3.2 Radical Equations	102	7.5 Using a Graphing Calculator to Graph Composite Functions	255
3.3 Asymptotes	105		
3.4 Rational Functions	109	Chapter 8 – Rates of Change	
3.5 Rational Equations	115	8.1 Average Rate of Change	263
Chapter 4 – Exponents and Logarithms		8.2 Difference Quotient	268
4.1 Review of Exponents	122	8.3 Average vs Instantaneous Rate of Change	271
4.2 Exponential Functions	126		
4.3 Logarithmic Functions	130	Answers to Exercises and Chapter Tests	280
4.4 Properties of Logarithms	141		
4.5 Solving Exponential and Logarithmic Equations	146		
4.6 Solving Exponential and Logarithmic Identities	150		
4.7 Application Problems and Exponents and Logarithms	152
