## THE SEASONS

We are the four seasons in a year!

## Let's Find Out:

- What are the four seasons?
- What do we wear and do in each season?

# A

## What Are the Four Seasons?

Some parts of the world have four **seasons** in a year. These seasons are **spring**, **summer**, **autumn** and **winter**.

In spring, it is **warm**.

*Flowers bloom and the grass is green.*

In summer, it is **hot**.

*We sweat under the hot Sun.*

In autumn, it is **cool** and **windy**.

*The leaves of some trees become dry and fall to the ground.*

In winter, it is **cold**. **Snow** falls in some places.

*Some trees have no leaves.*

### RESEARCH

Find out why autumn is known as "fall" in some countries. Which countries are these?

# B

## What Do We Wear and Do in Each Season?

Seasons affect what we wear and do. In spring, we wear **light** clothes and enjoy activities outdoors. We can cycle, fly kites and have picnics.

kite

bicycle

T-shirt  
shorts

flowers

dress

picnic mat

### WE CARE

We should protect flowers by not plucking them.
