Sit up tall, leaning slightly forward but not bending over your desk. Have your feet flat on the floor. Both arms will rest on the desk. Hold the paper with your free hand.

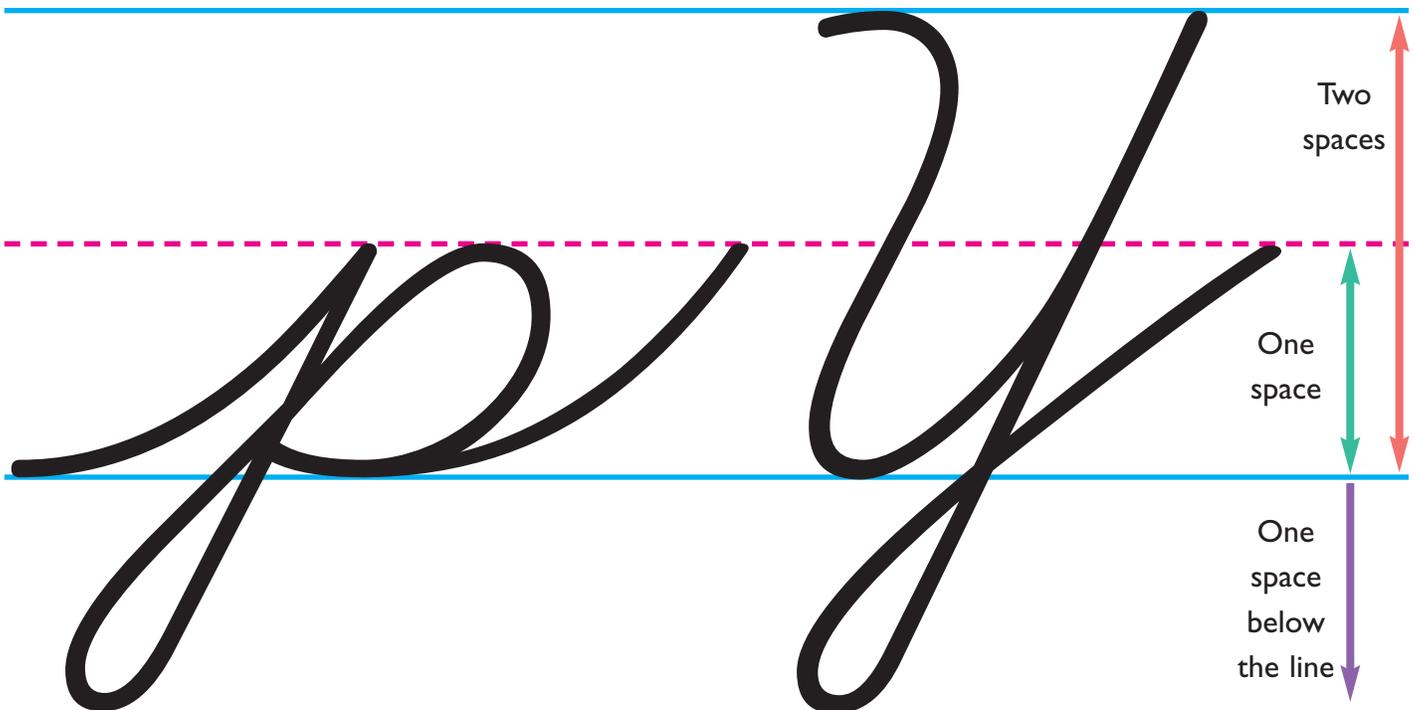

### Correct Spacing

The space between cursive sentences should be a cursive uppercase *O*.

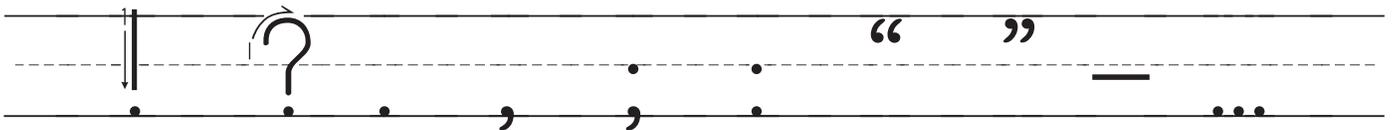

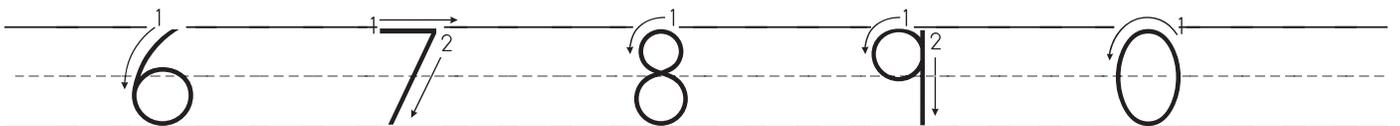

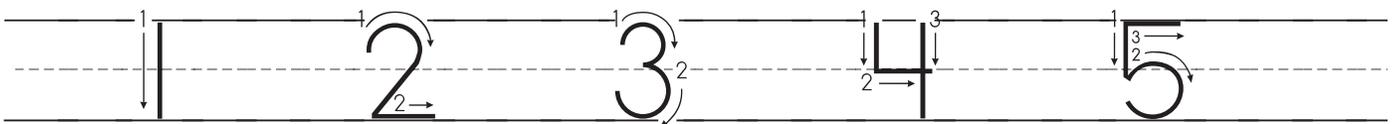

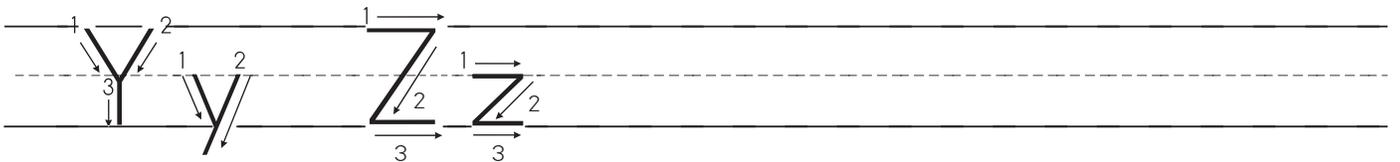

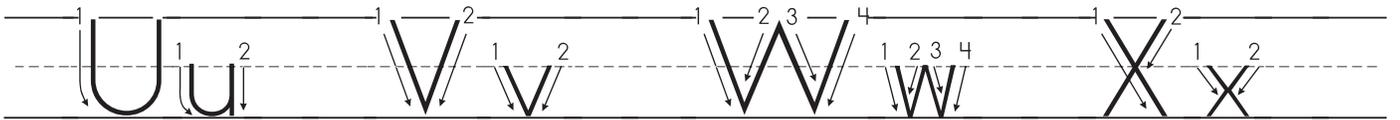

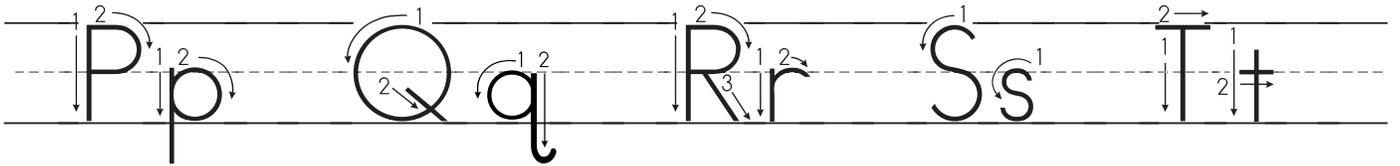

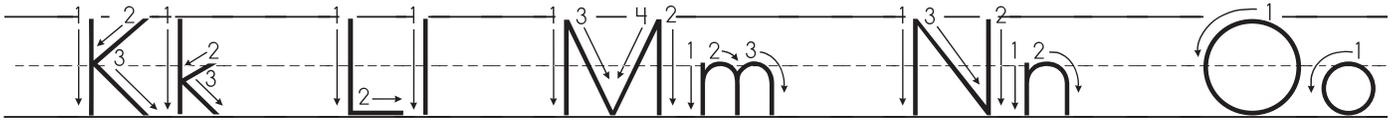

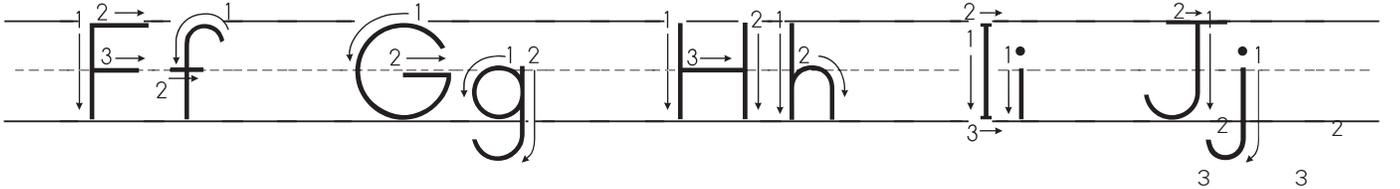

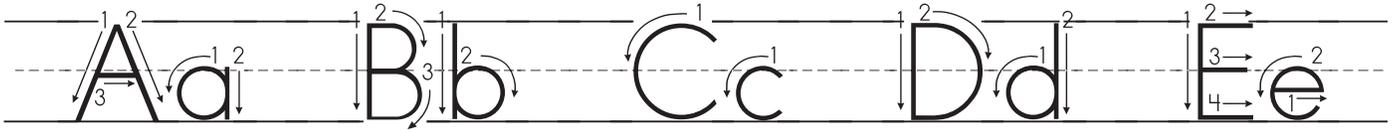

### Guide Lines

The blue top and bottom lines and the dotted red centerline will be your guides for letter formations. Some letters are one space tall, others are two spaces tall. Some letters, like a lowercase *p*, are two spaces tall but begin in the bottom space and drop down one space below the bottom guideline. A few letters, like the uppercase *Y*, are three spaces tall. They use both spaces between the guidelines and drop one space below the line.
