## **To Evaluate:**

*If the student correctly spells 17 to 20 words:*

- Assign the student to the Level D program.
- Encourage the student to work independently.
- Assign all challenge activities.
- Use the supplemental activities (1 per week) from Appendix A.

*If the student correctly spells 8 to 16 words:*

- Assign the student to the Level D program.
- Allow occasional opportunities to work independently.
- Regularly offer challenge activities.

*If the student correctly spells 0 to 7 words:*

- Administer the Level C placement test.
- Based on the results, you may either:
  - a) Assign the Level C worktext, or
  - b) Assign the Level D worktext, but use regular lessons only without the challenge activities.
