# YOU BELONG TO FAMILIES

## Objectives

**Read these objectives.** They will tell what you will be able to do when you have finished this workbook.

1. I can tell about places in my neighborhood.
2. I can tell about being a part of a team.
3. I can tell about the community.

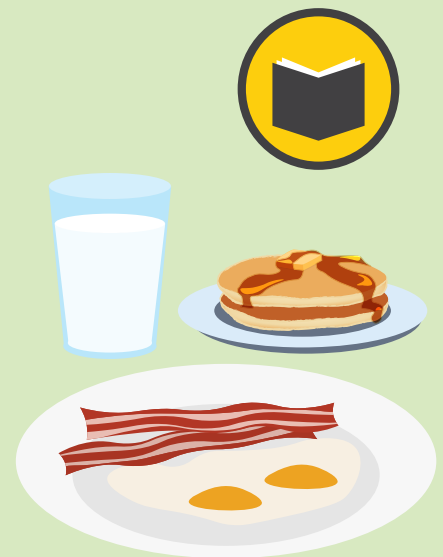

# 1. MORNING

Morning is here already.  
My clock says, "Wake up!"  
I hear Mother calling.  
I must get ready for the day.

## Getting Ready

The first thing I do is open the curtains.  
What kind of day is today?  
The weather helps me know what to wear.  
Mother calls, "Breakfast is ready."  
A good breakfast is important.  
It will give me energy to work and play.

Write **1**, **2**, and **3** to show what happens *first*, *second*, and *third*.

# Learning about Maps

Here comes my friend, Jimmy.  
Jimmy and I walk to the library.

This picture is a map.  
It shows where the library is.

Can you find Jimmy's house?  
Can you find Bobby's house?  
Where is the library?

## Draw a map of your neighborhood.

Show where your house is.

Show your neighbor's house.

Show other places by your house.

Remember: A map is a picture that shows how something looks from above.

A large, empty rectangular box with a gray border, intended for the student to draw a map of their neighborhood.

## Walking to the Library

"I'm all ready, Jimmy.

Let's go!" says Bobby.

"We can walk through the park today.

Maybe we'll see Police Officer Lopez."

Bobby and Jimmy are careful crossing streets.

They look both ways.

Then they walk across the street.

At the stoplight, they wait for the light to say "walk."

**Write the answers to these questions in your writing tablet.**

What is your name?

Do you like to go to the library?

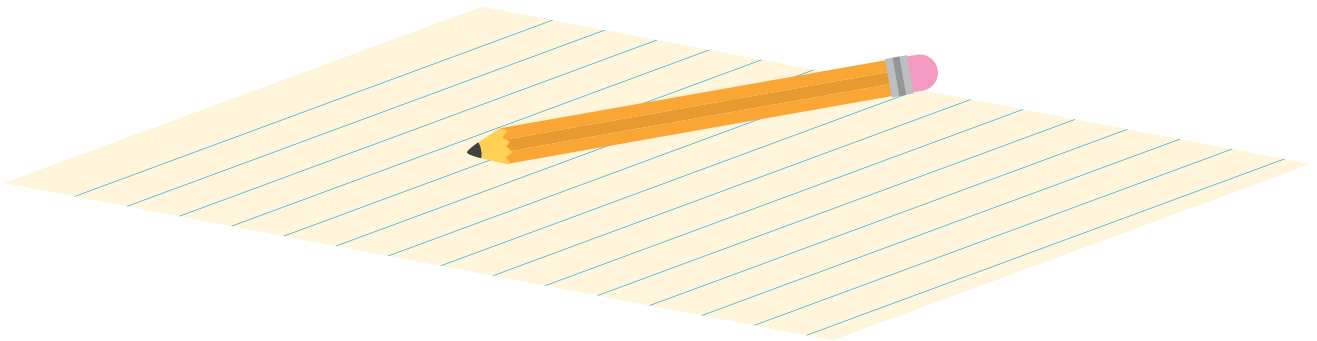

What is the name of your favorite book?

How old are you?

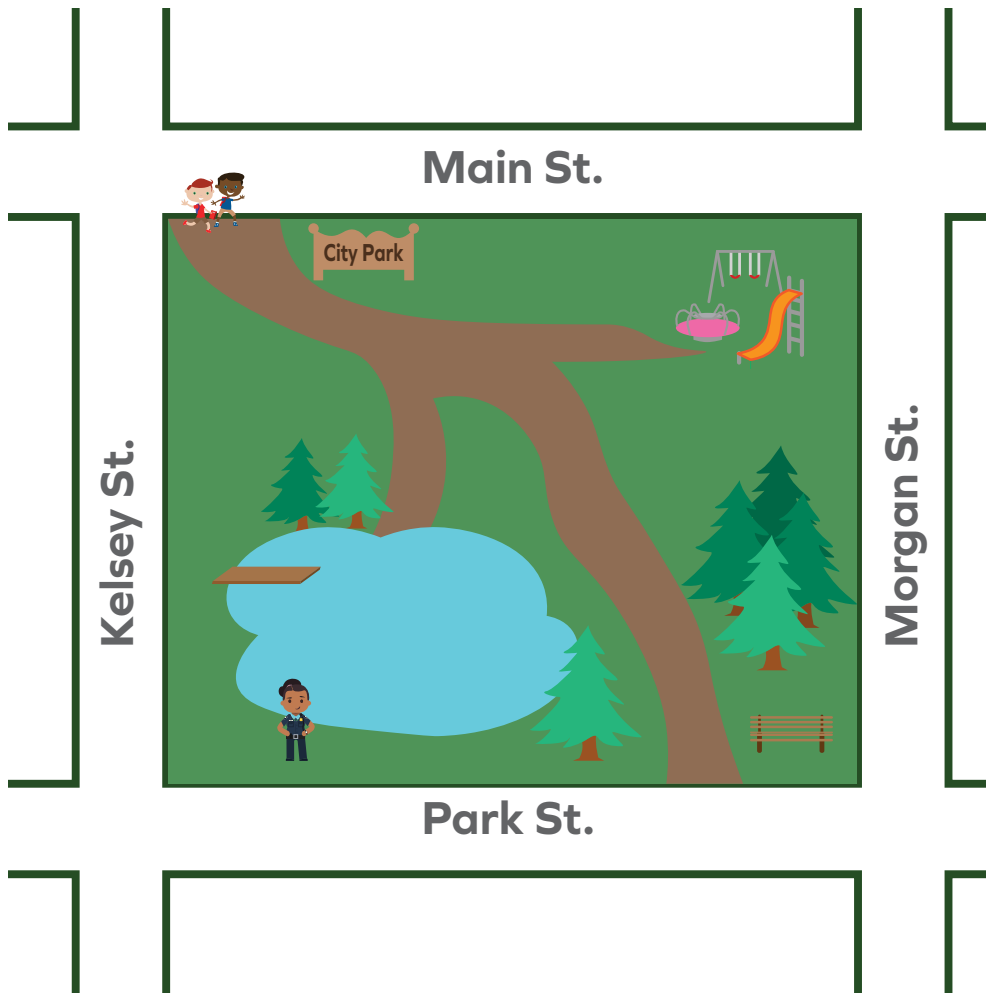

What grade are you in?

**In your writing tablet, tell about your favorite book.**

## Finding Things on a Map
