Learn with our friends!

When you see me, I will help your teacher explain the exciting things you are expected to do.

When you do actions with me, you will learn how to write, draw, match words, read, and much more.

You and I will learn about matching words, listening, drawing, and other fun things in your lessons.

Follow me and I will show you new, exciting truths that will help you learn and understand what you study. Let's learn!

I LIVE IN THE WORLD

The world is filled with people.
In some ways everyone is different.
In some ways everyone is alike.
You will read how people are different.
You will read how people are alike.

Objectives

Read these objectives. They will tell what you will be able to do when you have finished this workbook.

1. I can tell about a globe.
2. I can tell ways all people are alike.
3. I can tell ways all people may be different.
4. I can tell how people live in Japan and Mexico.

1. THE WORLD AROUND US

Our world is very big.

It is called Earth.

It has land and water.

Many people live on Earth.

Let's find out what Earth looks like!

Write *yes* or *no*.

Earth has land and water.

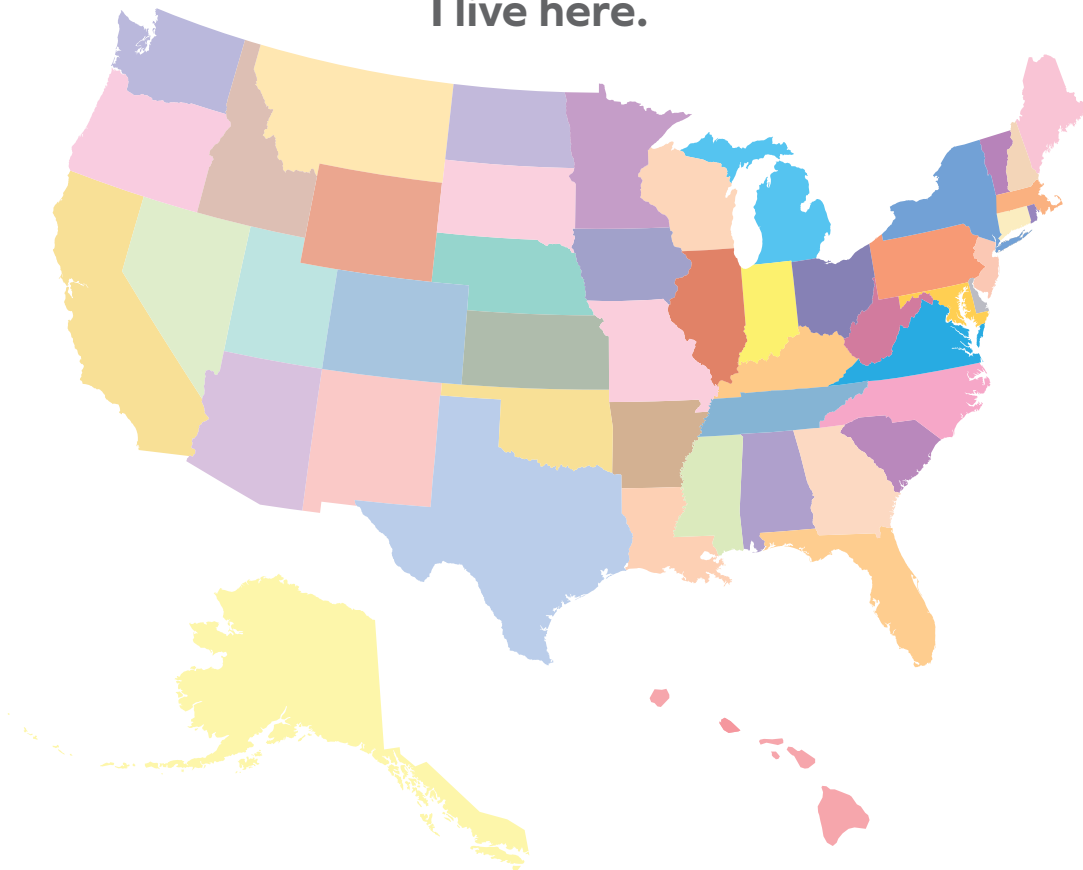

All people are the same.

People live all over the world.

Place an *X* on your state.

I live here.

The Globe

The children have a globe.

A globe is round.

It shows us what Earth looks like.

It shows where there is land and where there is water.

Circle the right word.

The globe is _____ .
(round / flat)

A globe shows what _____ looks like.
(space / Earth)

Our world is called _____ .
(Earth / Moon)

Color the land green. Color the water blue.

Many Kinds of Places

Earth has many kinds of places.
Some places have tall mountains.
Other places are very flat.

Some places may be very hot or very cold.
Some places are wet and rainy.
Other places are very dry.

Match each word with its picture.

◀ dry

◀ mountain

◀ hot

◀ cold

Many Countries

The people of the world live in many countries.
Look at the three countries marked on the globe.
Which one is the United States?

The other countries are Mexico and Japan.
Which one is the smallest?
Which one is closer to the United States?

Write *yes* or *no*.

Japan is smaller than
the United States.

Mexico is far away
from the United States.

Japan is close
to the United States.

Mexico is bigger than Japan.

Before you take the Self Test, study what you have read and done. The Self Test will check what you remember.

SELF TEST 1

Each answer = 1 point

Circle the answer.

Our world is called _____ .
(Earth / Japan)
