Dear Instructor,

Thank you for your interest in electives using the LIFEPAC Select Series.

The courses in this series have been compiled by schools using Alpha Omega's LIFEPAC Curriculum. These courses are an excellent example of the flexibility of the LIFEPAC Curriculum for specialized teaching purposes.

The unique design of the worktext format has allowed instructors to mix and match LIFEPACs from five core subjects (Bible, Language Arts, Science, and History & Geography) to create alternative courses for junior high and high school credit.

These courses work particularly well as unit studies, as supplementary electives, or for meeting various school and state requirements. Another benefit of the courses—and any LIFEPAC subject, for that matter—is the ability to use them with any curriculum, at any time during the year, for any of several purposes:

- Elective Courses
- Make-up Courses
- Substitution Courses
- Unit Studies
- Summer School Courses
- Remedial Courses
- Multi-level Teaching
- Thematic Studies

<i>Course Titles</i>	<i>Suggested Credits</i>
Astronomy (Jr. High and above)	1/2 credit
Composition	1/2 credit
General Health (Jr. High and above)	1/2 credit
Geography	1/2 credit
Geology	1/2 credit
Life of Christ (Jr. High and above)	1/2 credit
Life Science	1/2 credit
Mankind: Anthropology and Sociology	1/2 credit
