- Lesson 6: Comparisons, Stars, and Number Line
- Lesson 7: Opposites and Symmetry
- Lesson 8: Differences and Similarities, and Matching
- Lesson 9: Cooking and Measuring, Diamonds, and Graphing
- Lesson 10: Number of the Week: 0, Measuring, and Counting Review
- Lesson 11: Number of the Week: 1, and Position Words
- Lesson 12: Number of the Week: 2, and Position Words
- Lesson 13: Number of the Week: 3, and More or Less
- Lesson 14: Cooking and Measuring, and More or Less
- Lesson 15: Reviewing Shapes, Matching, and More or Less
- Lesson 16: Reviewing Counting to 7, and More or Less
- Lesson 17: Basic Sequencing, and Counting Review
- Lesson 18: Completing the Sequence, and Number Review to 3
- Lesson 19: Number of the Week: 4, Counting, and Reviewing Shapes
- Lesson 20: Number of the Week: 5, and Counting
- Lesson 21: Number of the Week: 6, Counting, and Differences
- Lesson 22: Number of the Week: 7, Counting, and Comparisons
- Lesson 23: Number of the Week: 8, Graphing, and Shapes
- Lesson 24: Number of the Week: 9, and Differences
- Lesson 25: Number of the Week: 10, and Completing the Sequence
- Lesson 26: Review Counting to 10
- Lesson 27: Review Counting, and Right and Left
- Lesson 28: Review Numbers, and Patterns and Sequences
- Lesson 29: Sorting and Matching
- Lesson 30: Review Shapes and Matching
- Lesson 31: Concepts of Time: Morning, Afternoon, Evening, and Night
- Lesson 32: Review of Shapes, Position Words, and Counting to 10
- Lesson 33: Review Weights, Small and Large, and Comparisons
- Lesson 34: Introducing Money, Patterns, and Shapes
- Lesson 35: Possible vs Impossible, and Review of Symmetry
- Lesson 36: Ordering Numbers, Right and Left, and Review of Numbers 1-10
- Practice Sheets
- Calendar Activities
- Puzzle Solutions
