# 10—The Family Tree

<sup>1</sup>All over the world, many families keep records of their ancestors. <sup>2</sup>Ancestors are family members that came before your parents, like your grandparents, great-grandparents, etc. <sup>3</sup>Tammy asked Grandma Emma to help her make a family tree. <sup>4</sup>With her grandmother's help, Tammy was lucky enough to get the names of three generations of her family. <sup>5</sup>A generation is a set of people about the same age.

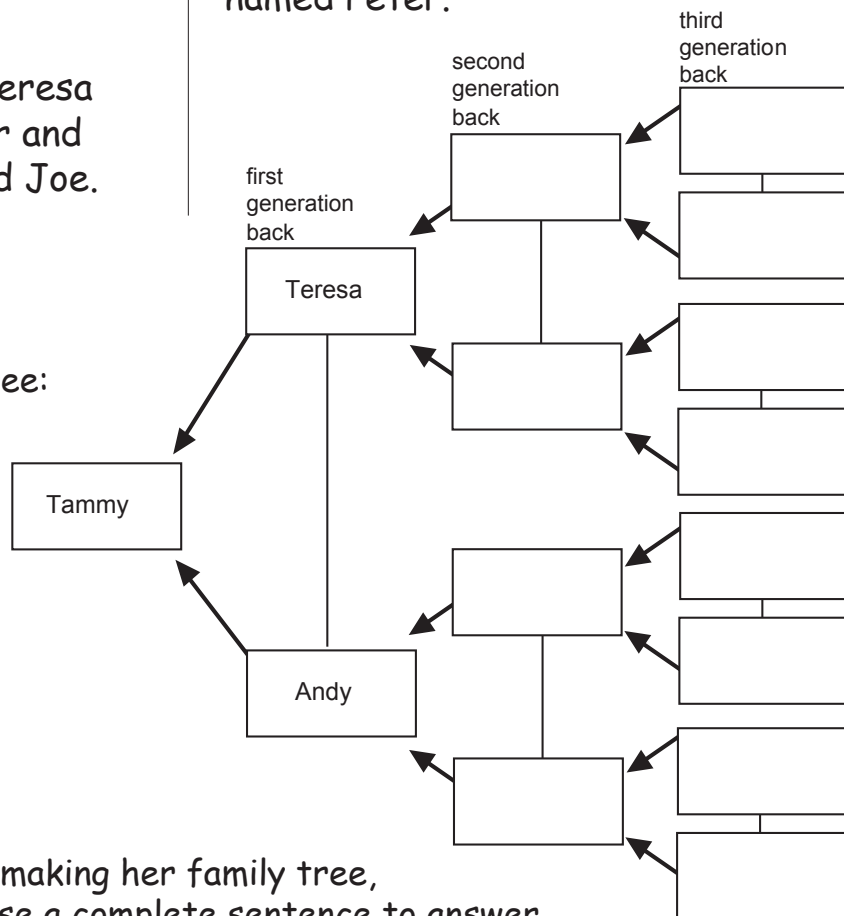

<sup>6</sup>Tammy's parents are Teresa and Andy. <sup>7</sup>Teresa's mother and father are called Emma and Joe.

<sup>8</sup>Joe's parents were called Mary and Tom. <sup>9</sup>Emma's mother and father were called Sofía and Antonio. <sup>10</sup>They died when Tammy was a little girl.

<sup>11</sup>Andy's parents are Angela and Camilo. <sup>12</sup>Angela's mother was named Ana. <sup>13</sup>Angela's father is still alive and they call him Great Grampa Mario. <sup>14</sup>Camilo's mother was Elena, and Camilo's father was named Peter.
