

Cubes and Rectangular Prisms

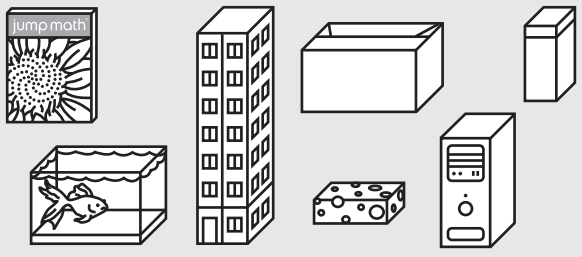

Circle the objects that look like cubes.

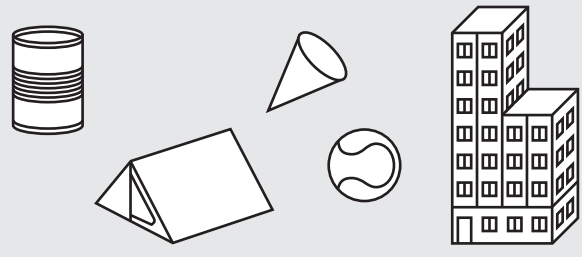

Draw 2 more objects that are almost cubes.

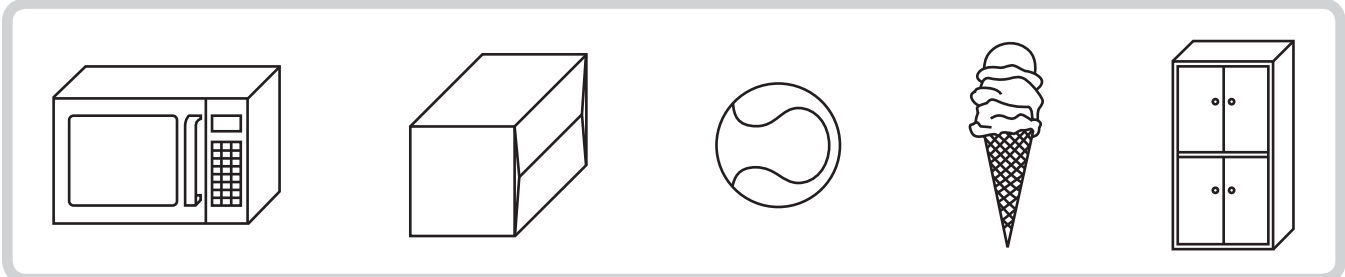

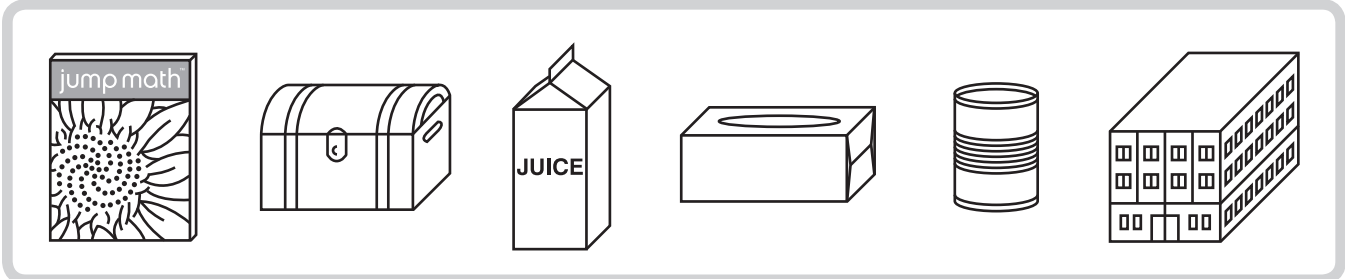

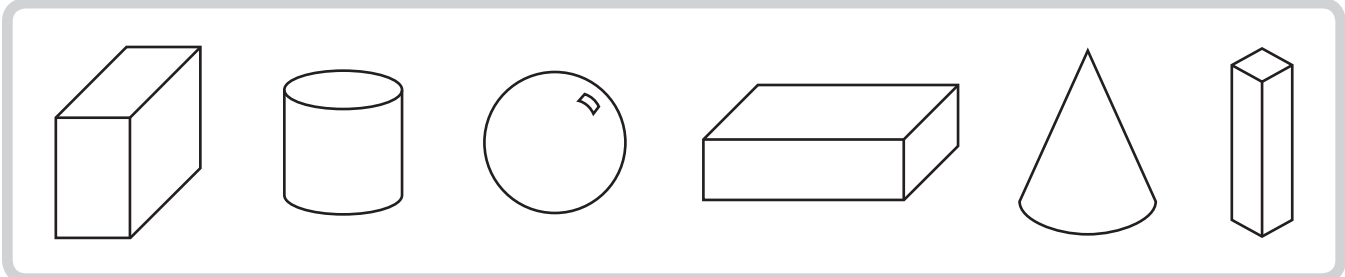

rectangular prisms

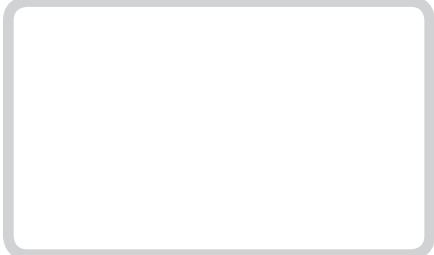

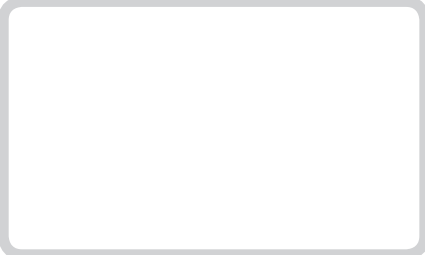

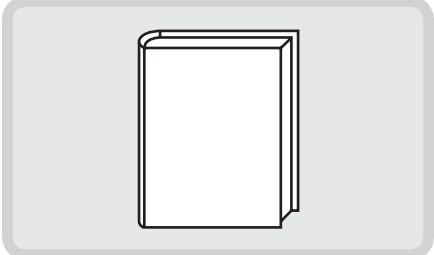

not rectangular prisms

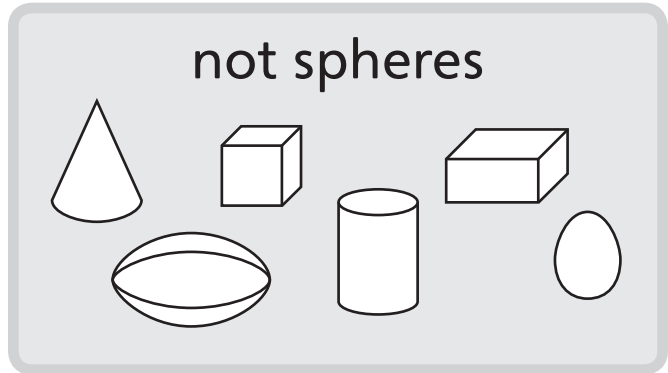

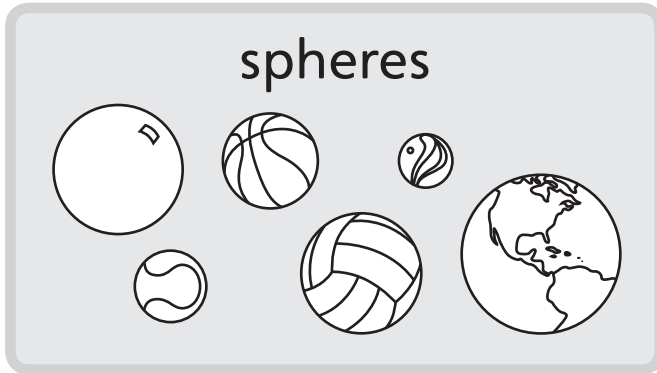

Circle the objects that look like rectangular prisms.

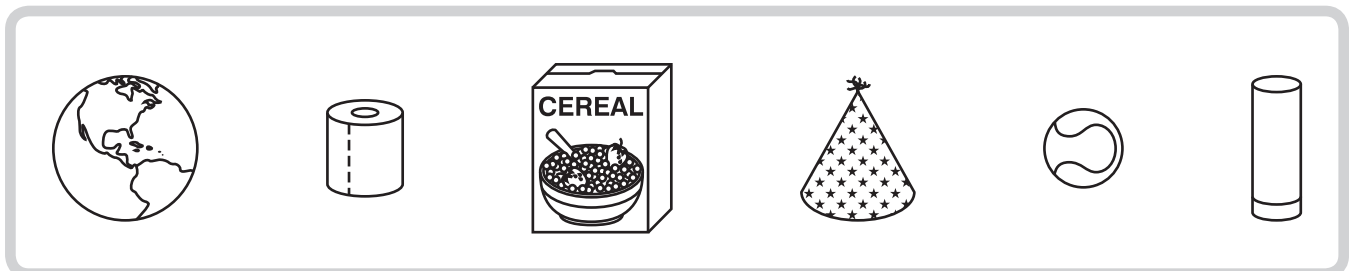

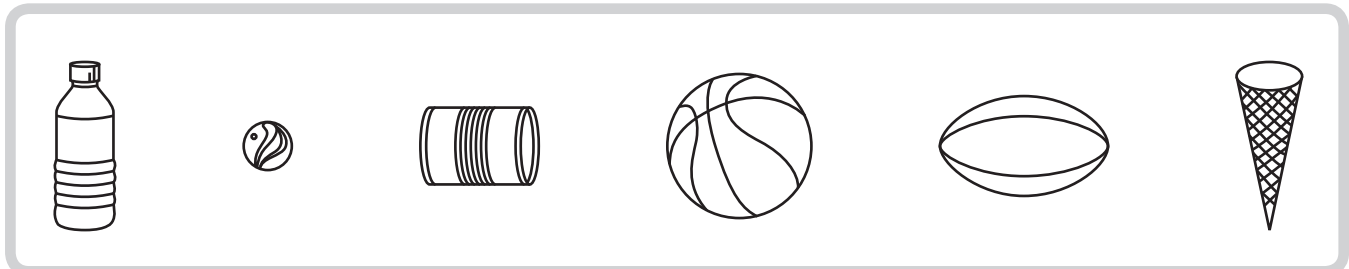

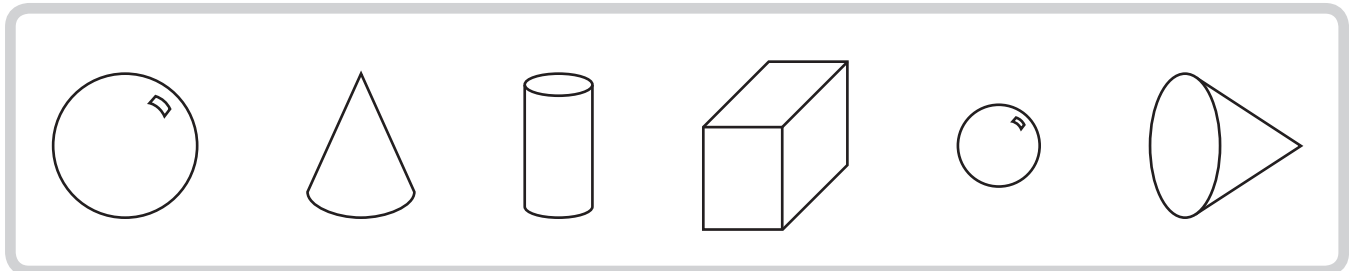

Draw objects that look like rectangular prisms.

Spheres, Cylinders, and Cones

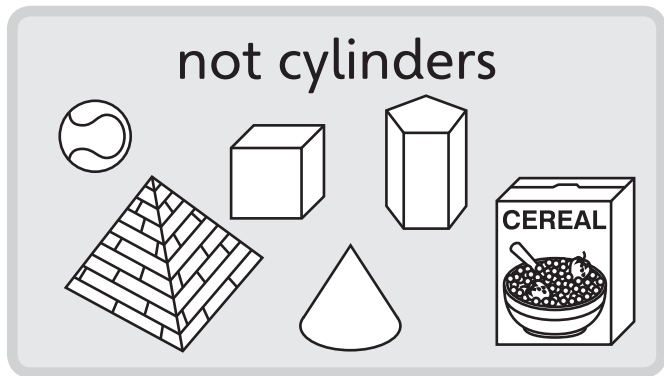

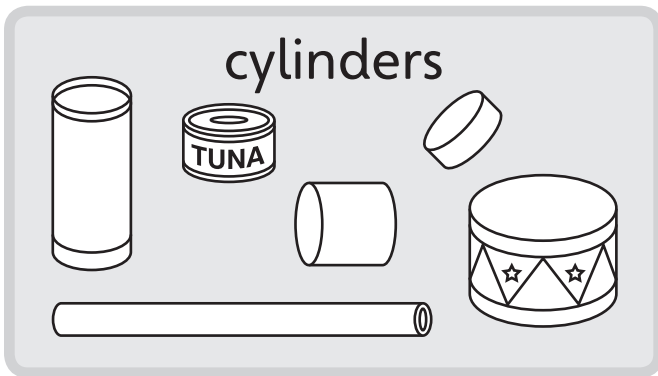

Circle the objects that look like spheres.

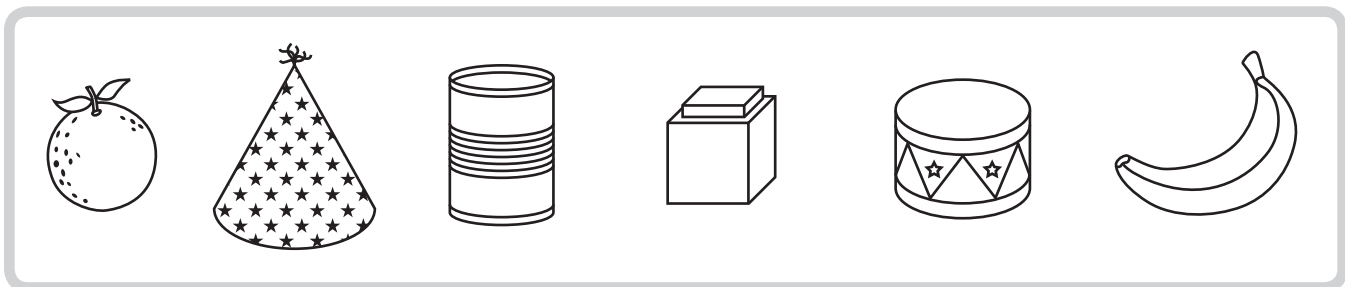

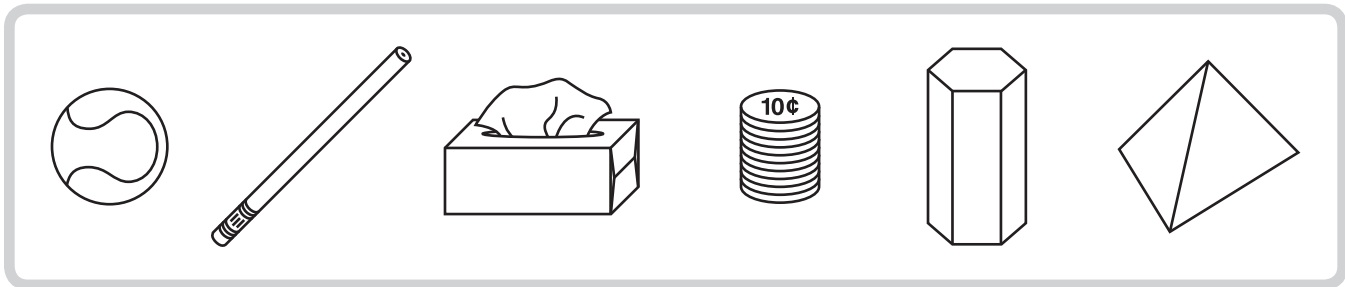

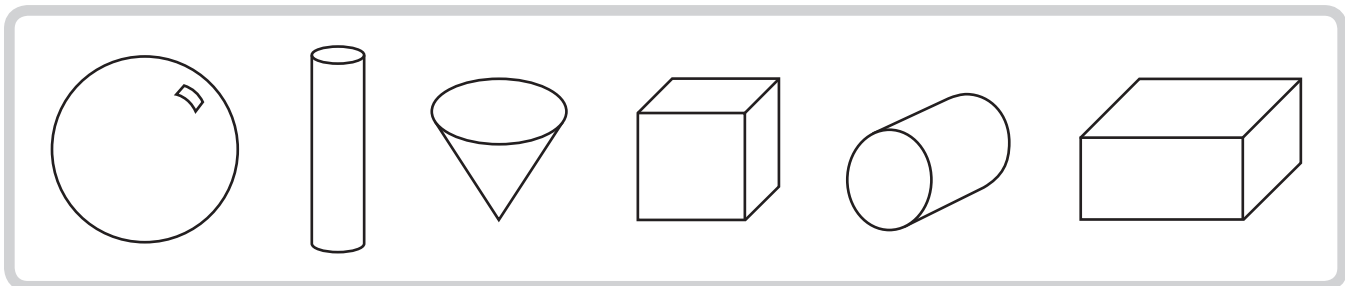

Draw 2 more objects that are almost spheres.

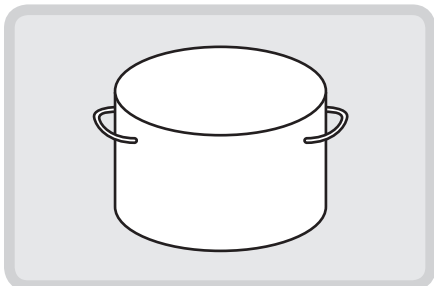

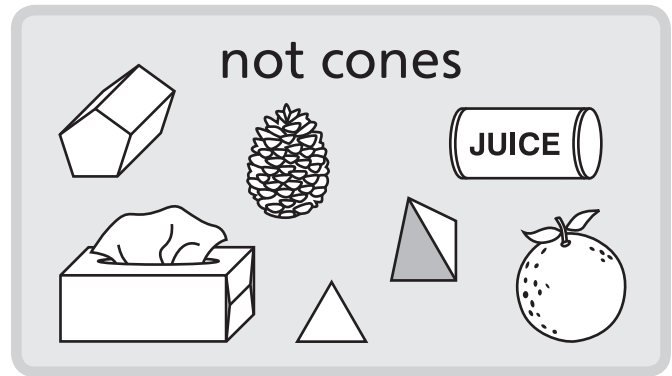

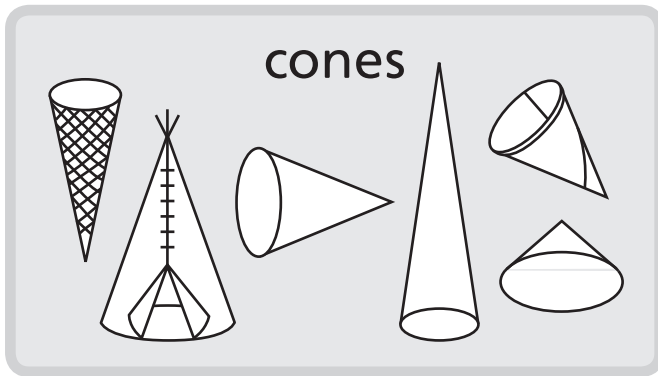

Circle the objects that look like cylinders.

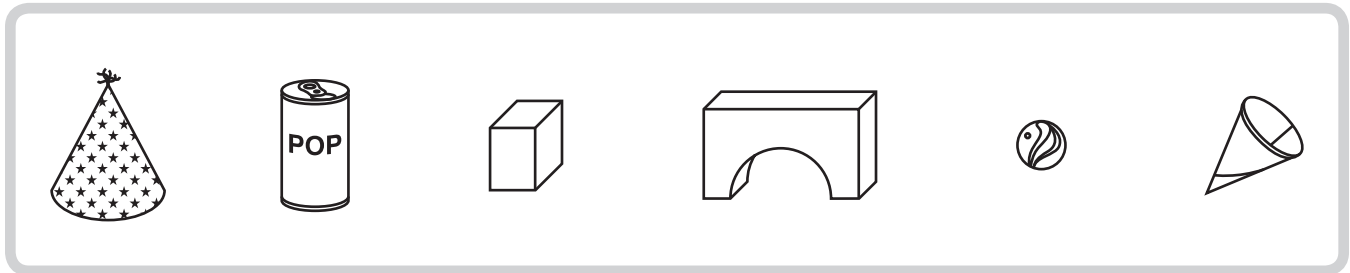

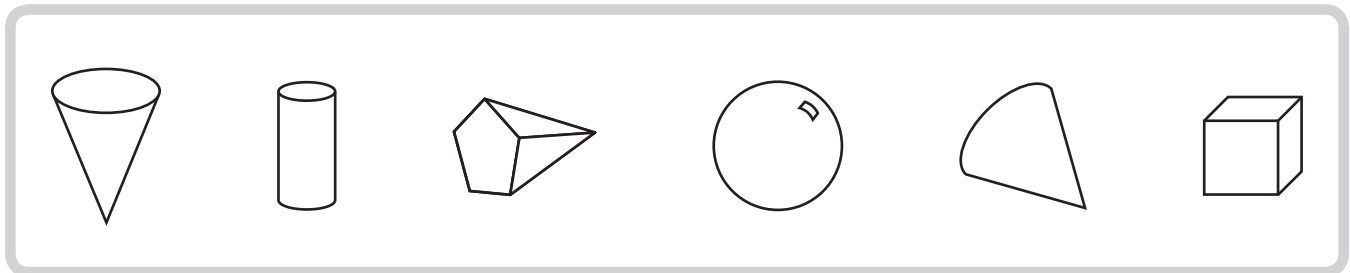

Draw 2 more objects that are almost cylinders.

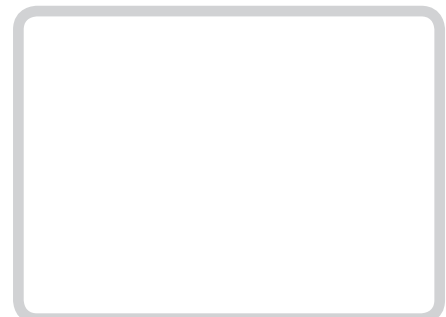

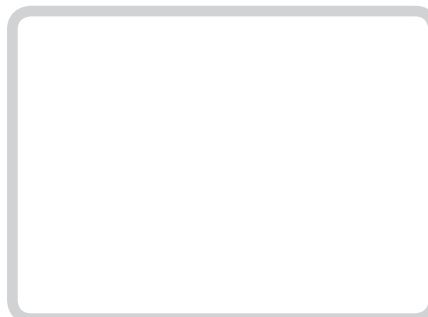

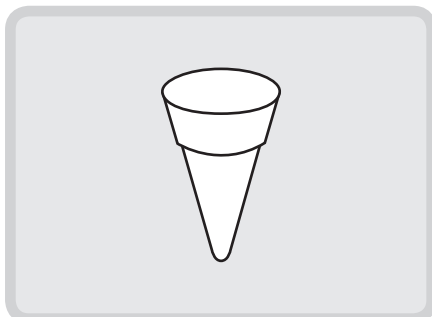

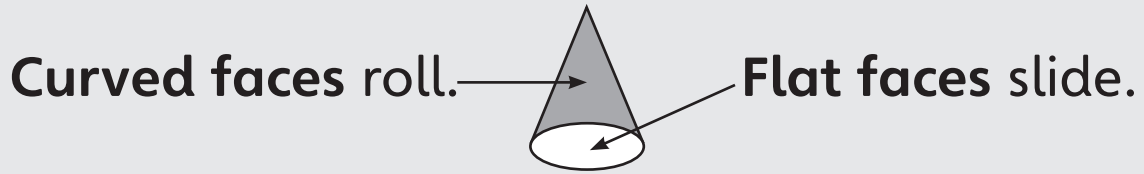

Circle the objects that look like cones.

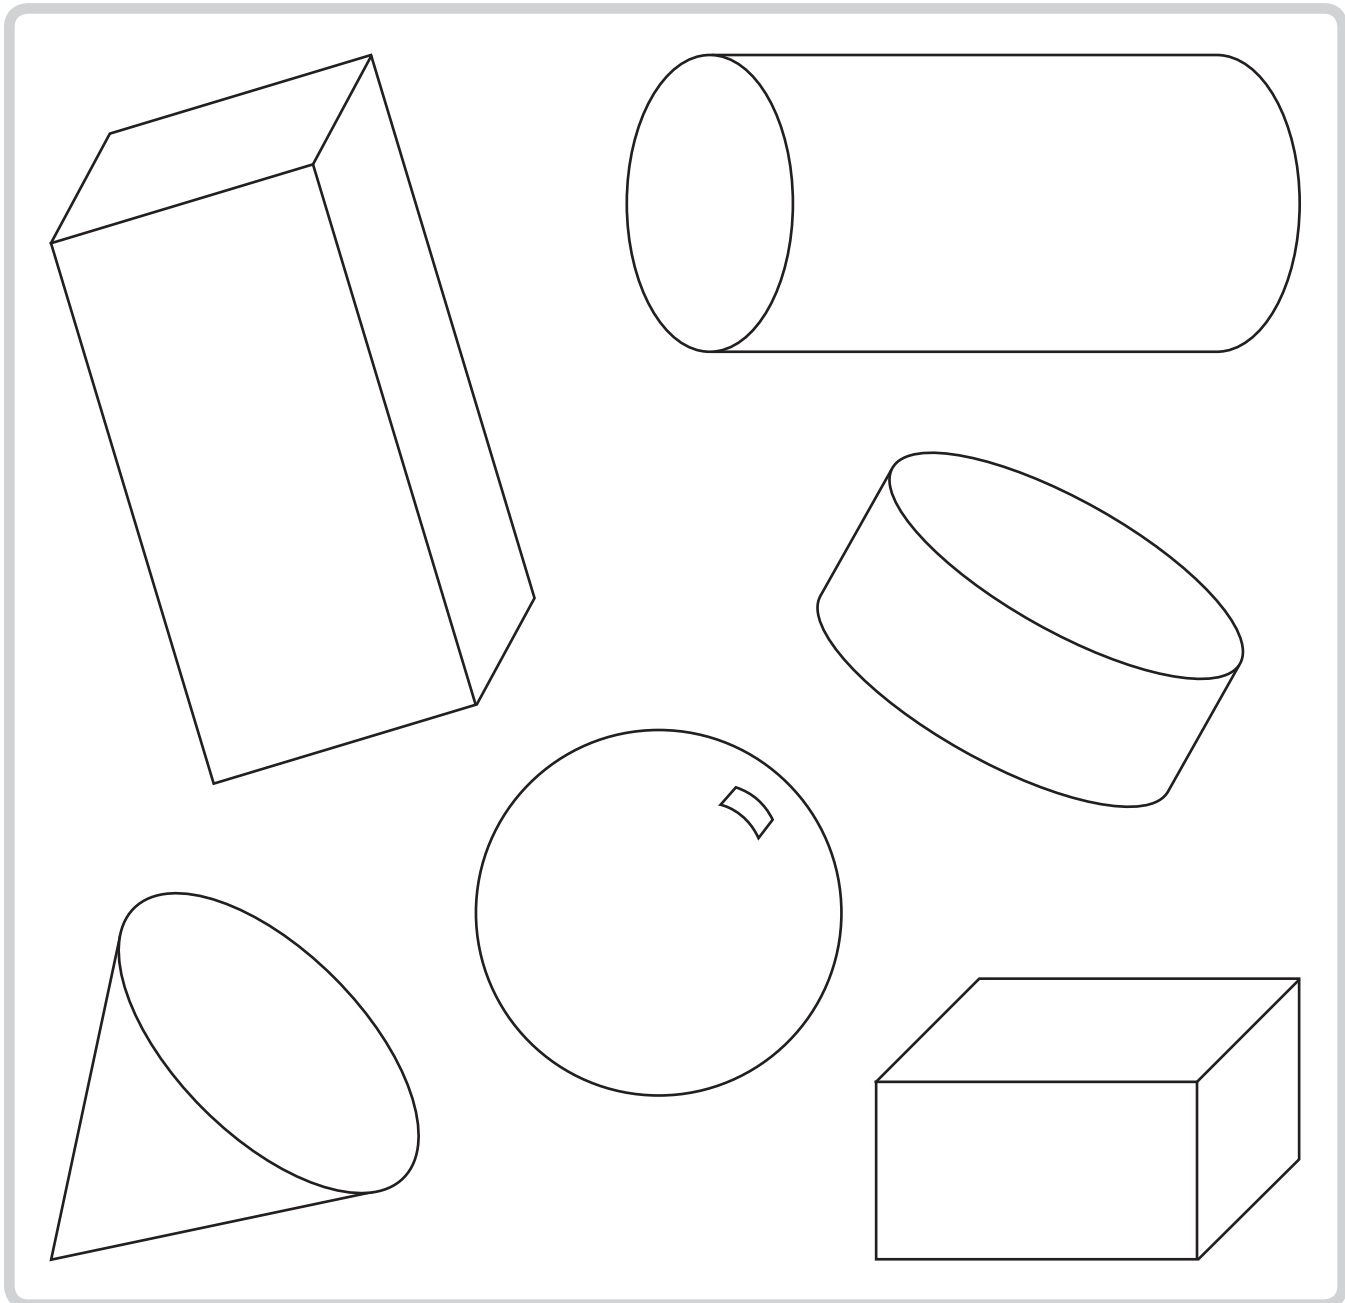

Draw 2 more objects that are almost cones.

Flat and Curved Faces

- Colour the **curved faces** orange.
- Colour the **flat faces** blue.

Sort.

has a curved face

has no curved faces

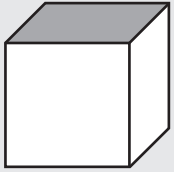

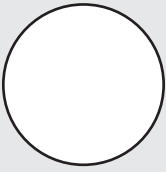

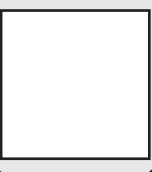

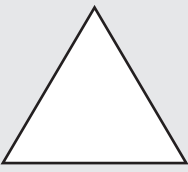

Now sort another way.

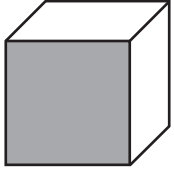

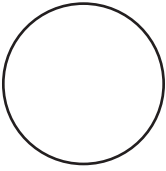

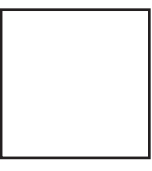

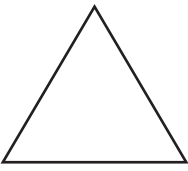

has a flat face

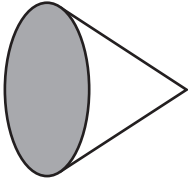

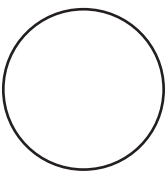

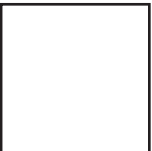

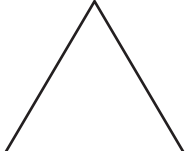

has no flat faces

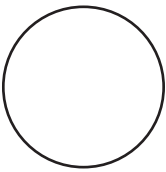

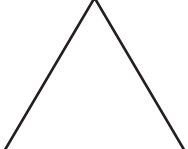

Identifying 3-D Shapes

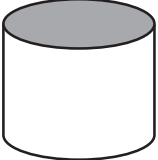

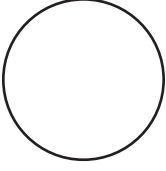

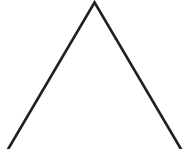

What is the shape of the shaded face? Circle it.
