

Table of Contents – 4B STD Text

6. Decimals

Tenths

Hundredths

Thousandths

Practice A

Practice B

Rounding

Review 6

7. The Four Operations of Decimals

Addition and Subtraction

Practice A

Practice B

Multiplication

Practice C

Division

Practice D

Practice E

Practice F

Review 7

8. Congruent and Symmetric Figures

Congruent Figures

Tiling Patterns

Line Symmetry

Rotational Symmetry

Review 8

9. Coordinate Graphs and Changes in Quantities

The Coordinate Grid

Changes in Quantities

Graphing Changes in Quantities

Review 9

10. Data Analysis and Probability

Organizing and Analyzing Data

Probability Experiments

Order of Outcomes

Bar Graphs

Line Graphs

Review 10

11. Measures and Volume

Adding and Subtracting Measures

Multiplying Measures

Dividing Measures

Practice A

Cubic Units

Volume of Rectangular Prisms

Practice B

Practice C

Review 11

Grade Four Mathematics Content Standards
