

How to Use Your Level 1 Teacher's Manual **(copyright 2015-2018, black & white interior)** **with the Color Edition Readers, Activity Book, and Word Cards**

Are you using second edition (copyright 2016-2018) *All About® Reading* Level 1 Teacher's Manual? Good news! Your older edition Teacher's Manual is compatible with the color edition (copyright 2019 or newer) Word Cards, *Blast Off to Reading!* activity book, and the *Run, Bug, Run!*, *The Runt Pig*, and *Cobweb the Cat* readers.

Due to minor updates and edits to the stories, you may need to occasionally adjust the comprehension questions and/or page number references in the New Teaching section of the "Read a Story" lessons in your older Teacher's Manual. No other adjustments are needed.
